Price list storage en subscription

	Per month
Solo subscription	€ 50
Storage large 2 m ³ (± 2 m x 1 m x 1 m)	€ 50,00
Storage medium 1 m ³ (± 1 m x 1 m x 1 m)	€ 25,00
Storage small 0,25 m ³ (± 1 m x 0,45 m x 0,55 m)	€ 12,50

As a subscription holder you can book hours that have not been booked yet on the day itself, every day. This is done by using a separate calendar for which you will receive an invitation.

There is a slim possibility that a regular booking is scheduled on the same day, breaking up or cancelling your subscription rehearsal. The regular booking always has priority. This is a risk for you as a subscription holder. Considering the price of €50 per month compared to approximately €50 per booking this should be fair.

In addition, there is a limit of 3 hours total for booking a room per solo subscription per day. This way everyone has a fair chance to rehearse.

The subscription can be cancelled monthly and should always be canceled before the first of the following month.
